

# WAITLIST AND WALKUP PROCEDURES

(Updated January 1, 2022)

1. **Waitlist** -- Slots are filled from the waitlist on a first come-first served basis when members cancel. Players moved to the tournament list are notified by email Saturday evening after 6 P.M.
2. **Walkup** -- Members remaining on the waitlist will also be notified via email on Saturday evening after 6 P.M. This list of players is forwarded to Pecan Hollow as an authorized walkup list. Only those on the list have the option to come to the course Monday morning to fill in for any last-minute no-shows (*play isn't guaranteed*). Members who walk up on Monday morning who are not on the list will NOT be permitted to play.

# CANCEL AND/OR NO SHOW PROCEDURES

(Effective January 1, 2022)

In regard to the players who do not bother to cancel, either by the on-line process, or at least a call to the Pro Shop, the following procedures will be enforced:

1. If a player fails to cancel prior to 6 PM Saturday, that player will be entered onto a "NO SHOW" list.
2. After two (2) entries on the "NO SHOW" list in a 60-day period, that player will not be able to sign up for a period of one month, starting at the time of the second infraction.
3. If that same player has a combination of four (4) NO SHOW entries in any four (4) month period, that player is subject to more disciplinary action up to and including membership revoked.
